Memory Book

Rayme Sciaroni

Director

I don't have one specific memory of 'Annie'. From the beginning of the auditions with over one hundred people, narrowing it down to 56 was a difficult task. Everyone who auditioned was wonderful!

My memory of this show is ALL of it! I am in constant awe of the talent that I am able to work with. Sharing a passion for creating the grandest idea of storytelling that we can is our common bond.

We inherently revel in the joy of expressing ourselves in new and delightful ways that bring our hearts and souls out in the open, and taking a great risk on how it might be received.

And we would ALL do it AGAIN! I know I will! And I so look forward to that time when we can take another journey of making more MAGIC together! I love you 'Annie' cast....MADLY!!!

Thank YOU for one HUGE, complete memory!!!

Big HUGS,

RAYME

*Hello everyone! Thank you all for making Annie have such an amazing run. We had a spectacular cast, crew, and production team to create a wonderful play. I would like to thank everyone for their hard work and dedication, and making this one of the most memorable experiences in my life. I had a blast, and with the blessing of God as well as the support from my friends and family was able to create a completely different role for myself, and in the process, I had an amazing time. All the hard work, sweat, tears, and screaming that went into this production was absolutely incredible, and I wouldn't trade this experience for anything. ALL the people involved in this production are such talented and helpful individuals, and have made me have a wonderful experience that I will never forget.****Anna Strickland**-* What can I say? You're my absolute best friend in the whole wide world. I am so, so incredibly blessed to have you in my life. You're so beautiful, talented, intelligent and so genuine!

I loved being in Annie with you AGAIN at Junior Theatre...it really brings back memories of the callbacks when we all tried our best to sing tomorrow in front of all the big kids. That was our first show together, and Annie this time around might be our last at JT depending on our schedules for summer. I'm so glad I got to have this opportunity to work with you though. I LOVE talking about boys, creeping on some unfortunate JT kids, pranking Chris with his wig cap, helping each other put on fake eyelashes. Getting in mini fights on stage. Helping each other get those tiny dresses off over our FAT wigs. Thank you so much for dealing with my insane obsessions over certain guys who have no interest in me anymore. I loved all of our chats about that one guy... (your guy), I also loved being called to no rehearsals with you Oh, and practicing Easy Street in the lobby over 1,000 times was great too. Pretty much, you're the best friend a girl could ask for. I can't wait for the rest of our senior year, and I know you will be so successful in whatever you end up pursuing. (Hopefully it'll be MT at Syracuse or Emerson or UCLA with me . **RAYME RAYME RAYME**, look what he's done to us. Love you so much!)***Jake Fineman**- Roostah, I never woulda known I'd have so much fun with ya in a show in a hundred years! Thank you for tolerating me playing doodle jump on your phone every day of the run. I will beat your high score someday. *tries to get switchblade out on time but it never works* Easy street was SO MUCH fun with you! Oxford baby. "You're a great Ralph Mudge""uh... what" CHOCOLATE? I remember when they first invented chocolate...sweet, sweet chocolate... I always hated it! I can't wait for the rest of our senior year as part of the executive committee! It's going to be so much fun! You were so great as Rooster, and I hope we will get to do another show together this season (:***Zion**- *My little baby girl! You are so amazing as Annie! I'm so glad we got to work together. You're like the little sister I never had and I love you so much. You're adorable and so sweet, and I really hope you continue to do theater because you are so good at it! You belted your brains out, and controlled an animal at the same time... that deserves an award (:***Paige**-* Paige! I'm so glad we got to do a show together. I loved complaining about how we can't do our own makeup, and how all we want to do is be in bed during rainy weather. I also loved our rants about too much school and JT honors stress! You were awesome as Grace and I hope we get to do another show together this season! If not, I know I'll be seeing you around for executive committee meetings as well as confetti events ***Kiki**- *My little Molly!!!! I love your hugs and your sass. (: You're such a little cutie pie!***Alexa B.**- *All I gotta say is Jambalaya.***Hourie**- *My little tree girl. I'm so glad I got to work with you in this show, you are too cute my little blue bunny! ***Amanda**- *Thank you for being so supportive of me, and being my very best little friend! I'm so glad I got to work with you honey ***Maddie E**- *You are so talented! Please keep singing forever (: I love you my little munchkin! ***Camille & Yuri**- *My two little goofballs! Thank you so much for being so sweet and kind backstage! I love you girls <3 ***Avalon, Sydney, Ava, Jenny, Elisee, Yael, Brooke, Mindy, Tess, Rana, Kaitlyn, Jordan, Abby**- *You girls are so amazing and I'm so glad I got to work with each and every one of you! You're all talented little girls, and I will miss all of you dearly<3 :!)***Brooke**- *Love you so much girl! I'm so glad we got to do another show together! We need to hang out outside of the show!!!***Fred**-* Aw, Mr. Warbucks! Oleeever. Don't throw snow at me. Haha you're bald. <3 you, hope to see you around!! (:***Chris**-*Sorry I scared you with the wig cap so many times! You're an amazing FDR and it was a pleasure to be in another show with you! ***CarMOM**- *You're the best. Nuff said. D-land soon?)***Darienne**- *You are so amazing and I love you so much! Thank you for all your hard work throughout the show!***Hannah & Bri**- *You guys were awesome Stage Managers! Thanks for all of your time and energy that you put into this show!***Francia**- *Thanks for making my roots horrendous! It was fun pranking Chris! Thank you so much for all your hard work on makeup and hair! You are so awesome!***Erin**- *Thank you so much for your time helping us choreograph Easy Street,it was such a fun number! (:***Rayme**- *Thank you so much for giving me the opportunity to have this role.I have dreamed of being Ms. Hannigan since I was a little orphan in SDJT'sAnnie in 2005, and you made my dream come true. It was so much fun, and I hope to work with you again in the future! Totally FHO***Tony**- *You're amazing, as always. Congrats on another awesome set! I'm so proud to be one of your actors :!)***Cast & Crew**-*You guys are fantastic. Love you all LOVE, Ms. Hannigan(That's ironic.)

Jake Fineman as Rooster

Anna Strickland as Lily

First off I wanna thank the production team from the bottom of my heart. Rayme, Richard, Tony, Francia, Erin, Cynthia, Hannah and Brie you guys have worked so hard and this show wouldn't be the same without you guys. Thank you for the opportunity to play such a fun role, I have loved being Lily!

Now to the cast and crew: you guys rock, seriously. I have loved every minute of working with everyone. **Lauren:** I really don't know how to express how much I love you. Thanks for

being an amazing best friend. I love that we were never called! Our nail file bit has gotten out of hand and it cracks me up every time. I'm gonna say the one thing that bugs you every time... "I know the depression's depressing" uhhh NO DUH. I really hope this isn't out last show together at JT but if it is, it feels kinda fitting, our first show together and our last at jt. I know you will be successful in whatever you choose, so I have a feeling we will work together in theatre again and I can't wait. Love you girl!! **Jake:** I love ya my rooster/wacky! I have loved being your floozy. Brandon Banda

as Bert Healy

Chris: Where do I start? You are so dedicated to theatre and I love how you always aim to make every performance practically perfect... maybe with a little help from you know who. **Lizzy:** "that's my money cow" – "I'm sorry that I'm sad because you're sad that I'm sad that you're sad because I'm happy that you're sad because... Welcome to Chick-fil-A, Lizzy here to brighten your day, how may I help you? I think it's so cool that you know people who work at Chick-fil-A. **Gina:** "I'm so excited for the Taylor Swift concert that I think I'm going to cry" Will you please ask before taking a picture of me? You should be ashamed of serving champagne to under-aged kids! No wonder Pierre put the glass upside down: he wasn't able to think straight enough to put it upright! "Keep it jazzy" I need not say anything else. **Julie:** "Smoozywah"
Katra: "Kentucky Fried Chicken" How are you soo good at bowling? I don't really care as long as your beat Carrrrrmen. "Wonderful!" **Carmen:** Whoops! I almost forgot to write you a memory Paaaaal. If you think about it, Blake and I aren't actually that mean to you... we're just the kings of sarcasm. Coca-Cola. **Shane:** "Mr. Country, what we need..." "I need to know" why you love Jekyll and Hyde so much!
Fred: AT MY HOME! "Drop page." Why don't you ever have homework!? "Oh you think you're funny man?"
Paige: Your sweet side was so evident as Grace; I love your flexibility of character portrayal. "He didn't say..."
I'm fine" Pierre: Hey Tiny Monster, I feel like writing a paragraph of nothingness that reminds us of those random times when you stick out your chin and stare at me. XXtra blush! That would be boring. Can I have your bowtie? Little, awesome Marine. S-u-p-e-r-c-a-l-i-f-r-a-g-i-l-i-s-t-i-c-e-x-p-i-a-l-i-d-o-c-i-o-u-s! Flying dolphin.
Blake: Congratulations on your first play! I can't imagine doing this show without you. "Fifty cents!" **Juliette:** I love how you are so quiet and yet surprise us with jokes and that smile from time to time. **Michelle:** Just keep swimming, just keep swimming... P. Sherman 42 Wallaby Way, Sydney. **Lauren:** Cucumber!!!! **Zion:** Leapin' lizards... it's snowing! I loved your dancing during the Entr'acte. **Anna:** "Lousy." The best part was when you hit Jake with your purse! "Where does that put us?" **Jake:** Hey Radio's only masked announcer. I think for closing night you and Pierre should have switched roles... awesome! "None of these suits even fit!" **Lily:** "No, I don't backwash. I drink responsibly." **Alexa:** According to the latest figures... Hello beggar wife to whom I never speak.
Brooke: Please stop distracting Warbucks from his appearance on my show... thank you. **Ruby:** If you just want to have the Hour of Smiles without Bert Healy, then go ahead, but I can guarantee that none of you can pull off my laugh. Star-to-be nothin', you are a star. **Teddy:** Taylor Swift, soprano's, and whatever number is happening on stage... all in the dressing room. "Hello chiiiiild". Crazy? I was crazy once... **Hourie:** I hope you realize that I am not as mean as you think. I may not love trees as much as you do, but I'm not mean... just a little wacky.
Angela: Hi. That bald cap was cool. We should go Christmas caroling sometime... **Amanda:** You made me feel special whenever you said "Judge Brandon"... I also thought it was funny that you had to get a drink during so many Newsies classes and it only took you ten seconds. **Gabby:** Finding Nemo quotes forever! **Sydney:** Ahh... the lovely BOYLAN sisters.
Yuri: I love every single one of your lines as Tessie!
Kaitlyn and Jordan: Age fifteen... I may be stuck there forever! Long live the death of the doughboy!

Wow, how time flies. I swear it was just yesterday that we were in the 1st rehearsal in 207, learning the songs which would be constantly stuck in our heads for the next 2 months (Tomorrow, Tomorrow...).

Chris - Chim Chiminee...it was awesome getting to hang out w/you backstage & in the dressing room, cracking jokes on everything from Rock Island to my non-existent knowledge of video games. I was really glad I got to do another production w/you & hope to do more in the future.

Blake - "We're going to have a pizza party" "Shouldn't we be studying?" "PIZZA!" "Okay! Okay! Don't blow us up"

Brandon - It was awesome to get to work w/you again since Beast, cracking really bad jokes in the dressing room & in the Green Room. "Do you have multiple personality disorder?" "No! Yes! No! Yes! Maybe? Silence you fools!" "Why did lithium go to court?"

Shayne C. - "Hi Shayne!" "Hi Shane!" "Hey Shane we need you onstage" "Which one?" "Are the Shanes here?" "Yeah, we're both here"

Pierre - Cumberbum!

Zion - Awesome job as Annie. It was really cool getting to know you & I hope to see you in more productions to come.

Angela - I had a lot of fun hanging out w/you & the other stage crew members backstage left, drawing in my lckes binder, dancing randomly to all the musical numbers, & talking about all sorts of weird things (like annoying things people do in high school). I really hope we do more shows together in the future.

Jake - He's a fake & he doesn't know the territory!

Lauren - Sorry...

Lynda - Random ASL backstage. "You're weird" "Excuse me?" Excuse me?!...I know"

Isabelle - I enjoyed sitting backstage left and chatting w/you & the rest of the stage crew, & dancing along to Hard Knock Life.

Carmen - It was interesting to see you on this side of the set this time instead of on crew. It was fun chatting w/you in the makeup room & backstage about our mutual annoyance (three guesses what that is).

Fred - it was awesome getting to talk w/you backstage about all sorts of random stuff. I'll try not to forget the dispatch next time...

Juliette - It was cool seeing you in another production, & I hope to see you in more in the future.

Lizzie - Randomly harmonizing during rehearsal breaks, chatting about random high school stuff, chatting backstage about random theatre shows (wait, you saw me in Honk?!...). It was really cool to see you in a show & I hope we get to do shows together more often.

Rayme - Thank you so much for making this show so much fun for all of us. I really enjoyed working with you again. "On Tuesday! On Tuesday! He'll be back on Tuesday! It's only 4 days away!" "You gotta be like a baker and haul buns!"

Francia - Thank you for letting me do my makeup in the makeup room. It made things SO much easier. Sorry I u

Cynthia, Tony, Erin & everyone else on the Production Team - Thank you so much for making the show as good as it was. We never could have done it without all of your help and expertise in this field.

And Remember, Smile, Darn Ya, Smile!

Gina Barba

as Mrs. Greer

So it's over. Annie was such a great way to start my eighth-grade year. I love each and every one of you involved in the show dearly. I want to start off by thanking Tony, Cynthia, Desha, Tami, Richard, Francia, and all the other adults who helped make us look great on stage.

Rayme: Thank you so much for this opportunity. You are so awesome to work with and Annie was so fun. **Erin:** You will forever be Abby Lee Miller. Thank you for all of your hard work and dedication. **Alexa**

C.: Chilling on the moon without gravity, being your mom's best friend, STOP IT ALEXA.ROSS MANFRE NO GRAVITY AND THE MOON.

Shelby: Shelbus Numbus Cloud, I'm so glad I got to be part of your first JT show ever. We have so many memories from all the awkward

times at your house to anti jokes to flubs. I don't know what this show would be without my favorite usherette. NO GRAVITY AND THE MOON. **Jenna:** Wait, before I say anything else let me just say I LOVE YOU. You are honestly the weirdest person I have ever met. You ask your makeup bag if it wants to sleep at JT and you eat on the moon every day. I'm glad we share intense obsessions with Dance Moms and Eden Wood. I don't know what I would do without you. NO GRAVITY AND THE MOON. **Carmen:** I'm so glad I actually get to work with you in a show again. You are pretty much perfect. Thanks for always being there when we needed it and also rapping tomorrow backstage every single day. Coca-Cola?!?!?!? **Brandon:** I'm sorry I will never be jazzy enough for you. I still laugh every time I think of you working at Chick Fil A. You still remind me of my math teacher and it's really frightening. **Paige:** Thank you for all the rides home! You were fantastic as Grace even when you thought you weren't. I honestly cannot believe you're a senior! **Avalon:** AVALON ROBBINS. I'm so glad I got to know you during this show. You're adorable and I'm happy that you're an insane theatre kid. You're a superstar and don't forget about me! **Jordon:** Joooooordn, honestly you're the best. I'm sad we didn't have time for Circle Time during this show. You are a fantastic dancer and all around person. Please, I beg, don't grow up. Ever. **Ruby:** So, you were one of the first people that every talk to me at JT and I'm extremely happy we became friends. You have so much talent and poise but you are also slightly insane in a great way. **Brooke:** I really hope you get to marry your Spanish soccer player. Oh and the little hairs in your eyes are called eyelashes...just saying'. **Pierre:** Exploding rats for life. You are awesome. **Maddie:** Thanks for dealing with my awkwardness while switching mics. You're fabulous. **Kiki:** Darling, I'm really happy that your real name is Mackenzie. You are awesome and I can't wait to do more shows with you in the future. **Alexa B.:** I think you only told me to go home once this show. That's a horribly sad thought. **Tess:** I'm delighted you think I'm funny. **Julie:** PAGEANT QUEEN. Thanks for dealing with my insane obsession with pageants. I'm going to take you down one day. **Fred:** Great job as Warbucks! **Lizzie:** You are so crazy. I just love it. **Blake:** hi. **Hourie:** Baby child, I'm very glad that our dads know each other because without that we would never have become friends. You are so cute. **Lauren:** Great job as Miss Hannigan! You're unbelievably talented!

Michelle: Funfetti is the best. That's all. **Kailey Berry:** I love you more than Disneyland. **Dariane:** You are so freaking' helpful **Camille & Yuri:** Both of you are so freaking' awesome. **Jake & Anna:** You two were phenomenal as Rooster and Lily! **Katelyn, Sydney, Ava, Amanda, Elysee, Abby, Mindy, & Rana:** All of you orphans have so much talent. I love you dearly. **Chris, Fiona, Shayne, Emily, Hanna, Carly, Juliette, & Shane:** I had so much fun working with all of you in this show! **Elise, Annaleise, & Katra:** It was so great to meet you and I hope we do more shows together soon. **All Girls:** Coca-Cola.

This has been so much fun and I've made so many new friends and reconnected with old ones. You guys rock.

XOXO

Well, what a thoroughly enjoyable experience Annie has been. I have loved working on all of the big ensemble numbers together, and it is good to feel that all of our hard work has paid off. Thank you all for making Annie such a memorable experience, and for warming my heart with all of your infectious energy. Thank you **Lauren** for being such a lively yet stoic presence both on and offstage. I will miss your infectious enthusiasm and hilarious Miss Hannigan moments on stage (such as your bow to the president). **Anna** for your good-hearted nature and patient spirit. **Jake** for your good-humored and entertaining presence. Thank you **Paige** for your unrelenting support and dedication. Thank you **Avalon** for your humble yet cheerful nature. To Julie and Brooke, I will miss our girl's-night-out moment during NYC, which never ceased to be fun to do. Thank you **Pierre** for being so focused and professional. Your commander character was so funny, and I will miss your bright personality. Thank you **Hourie** for making almost the entire cast burst at your cute, sweet nature. You really held it together so well during the demanding production schedule. Thank you **Brandon** for being so animated, your cheerful nature always brought a smile to my face. Thank you for being so attentive on stage especially during the Cabinet scene, you were so much fun to play off of, I hope that we may be in a show together again sometime in the future. Thank you so much **Chris** for showing such unrelenting dedication, especially for the role of Roosevelt. I am in awe of your hard work, and truly inspired by your performance. You did an amazing job of listening and keeping it fresh every time you were on stage and I loved being in the ensemble scenes with you. Thank you **Zion** for being so plucky and so disarmingly-charming. You were such a pleasure to watch onstage and did a wonderful job being Annie. Keep up the good work and I hope to see you in other shows in the future. Thank you **Rayme** for fielding all of my questions and being so supportive throughout the rehearsal process. Thank you **Erin** for ensuring that the ensemble cast flawlessly knew the dance numbers, and for filling in so nicely when Rayme was not present. Thank you **Richard** for all the help during the music sessions, it is always a comfort to see you in the orchestra pit during performances. Thank you so much **Tony** for being so helpful, you really bailed me out on several occasions. I will never forget your invaluable assistance when I lost my USB drive after rehearsal. I thank you all for making Annie more than I ever imagined it could be and for allowing me, in one of the most stressful periods of my life, to become blissfully lost in the wonder of musical theater.

This year's production of Annie was a great success. Some of the things that I will never forget, good and bad, are: making a prayer circle with the orphans and Lauren on opening night; banging on the walls while singing The Star Spangled Banner; falling on the stage when my dress got stuck on the bedpost; playing a game called Grannie with the ushers; and playing Sticks and Bubble Gum with the orphans.

Abby DeSpain

I kicked your butt in Uno, but you're way better than me in Zoo. Thanks for all the laughs! **Juliette-** Even though we didn't talk a lot, I still enjoyed the times we did. You're unforgettable and I will see you soon. **Rayme, Richard, Tony & the Production Staff-** Annie was amazing! Thank you so much for this great opportunity. I can't wait to be in another show!!

Leapin' lizards! Being a part of *Annie* has been a hectic, loud, hilarious experience, and I will never forget it! Thank you everybody for making this production what it is, from our amazing director Rayme, to Tony and Desha, and everyone else in between. In the end, everything definitely paid off and we put on a great show! I don't doubt that we inspired tons of little kids to be up on stage just like us someday.

One of the best parts about JT is that it is such a close community. It was so fun to get to know everybody during the run of the show, and I hope to see everyone around again soon! I am so glad to be apart of this crazy JT family where I can always trust that I'll have a great time.

If I could write individual memories to everyone, I would, but I've made way too many memories with everyone and I don't think it's even possible! So

instead, I will sum up a typical day during *Annie*:

Walking into the greenroom and temporarily losing my hearing.

Experiencing no gravity multiple times.

Having dinner on the moon.

Watching Paige and Pierre pretend to be Fred and Zion backstage.

Calling the Eyelash Protective Services on Brooke.

Yelling "Stop flattering yourself!" and "OH MY GOOOOSH" and "Just. Go." to Alexa instead of actually having real conversations.

Remembering moments with Blake.

Watching Blake run away every time we tried to interact with him.

Doing an amazing, risky set change with Lizzie and *nailing* it.

Victory dances backstage.

Playing Zoo in the dressing room with Anna and Lauren and all of the girls.

Venting/deep conversations/absolute weirdness with Lizzie.

Stalking Gina's Tumblr.

Conversations with Ruby onstage.

Ghost stories.

Rewriting song lyrics.

Imagining certain people with moustaches and little cups of tea. So classy.

Being *star struck* by Avalon!

Obsessing over Tess at all times.

Doing it all over again, every single day!

I am going to miss everyone so much. I have made so many amazing new friends, and

got even closer with my old friends. All of you orphans are so talented, and I am so excited that the next JT generation is full of such little stars. I can't wait to do more shows with you. The older kids, you will always be "the big kids" to me, and I am so inspired by all of you. You all are role models for me both onstage and off and I thank you for that!

Thanks again everyone for making this show what it is was!

If anyone wants personal memories just ask me I would love to write them, I never want to forget all of our crazy memories! :)

This was my first show and I was a little nervous. When I walked out on stage for the first time my heart was pounding so hard I thought it was going to explode! But then I realized I was up there with you all and I suddenly felt better. I had so much fun and I want to thank everybody! You were all so nice to me!

Zion: Remember when you shared that heart shaped chocolate candy with me? Well, you were always so sweet like that. Thank you for being such a wonderful person. I hope you enjoyed being our little Annie! You are so talented and I hope we get to work together again very soon. I will miss seeing you every day!

Orphans: You are all so great, both on stage and in person.

Kailey Berry: Where would I be without you? You are the reason I wanted to join SDJT, so thank you for being such a great role model. I Love You!

Hanna S.: I had so much fun carpooling with you. You have a contagious laugh and I'll miss hearing it.

Lauren G.: I wish you weren't leaving the theater because I want to do more shows with you. You are so nice and talented.

Rayme: Thank you for being so kind to me. You would always say, "Hi sweetheart" to me and it made me feel special. You are an amazing director!

Mallory & Tammy (Costume): Thank you for all my costume fixes. Sorry for ripping my dress and breaking my shoes. Oops!

Francia (hair & makeup): Thanks for being so patient with me and my "wig situation". At least we got it right by opening night!

I also want to give a big special thanks to my Grammy Sue, Grandma Norma, Nana, Papa, Jimmy, Holly, and my Mom & Dad!!!

Gina: I'm going to miss carpooling with you! Thank you so much for the ten minute video on my phone that I will have forever and ever and never delete...You have the hots for way too many people!

Alexa: We need to still get space pizza after the show is over, okay? It kind of depresses me that I will have to survive without your Mott's gummies and your amazing poptarts. Having no gravity is so much fun!

Jenna: Do you remember when you taught Blake how to ride a bike? Me too! And do you remember when you helped Blake pick out his first pair of glasses? Wow! Me too! Do you remember when you had a normal conversation with Blake that lasted more than thirty seconds? Yeah me neither... That's all I can say...

Brooke: You are kind of the best person ever! I don't even know how to describe why you're the best person ever but it's true.

Ruby: You're so funny I can't even believe it... The show just wouldn't have been the same without you!

Lizzie: You just make my life. You're always so happy and funny and amazing!

Brandon: Gina has the hots for you.

Pierre: You are the coolest kid in the world. I will never forget your noises during NYC!

Tess: Oh my....Tess! You are so much fun. Thank you so much for dedicating a song to me!

Blake: I just wish we could've been better friends! But anyways you're a pretty cool kid. Thank you so much to everyone that I didn't mention for making this show so amazing!

Dear all the people that made my life even more exciting! Well, you made my life exciting in the first place, because when I came here my life had been SO BORING!

Dear Shayne, You have been the coolest friend ever! Thanks for bringing me into your life, I have some really great laughs with you and I can't wait to be in another show with you whether we're cast or crew (or even usherettes for all I know). Always remember that you are strong and unique in your own way and not only are you beautiful inside, but you're beautiful on the outside too and your voice is like angels singing from heaven. Even if you don't agree, I think so. But whatever happens, I bet we will be friends for a long, long time!

Dear Fiona and Emily, you guys make me crack up whether I'm in the situation or not! You guys are hilarious and I couldn't think of a better riddle even if your riddles and jokes are popular. But anyway, I just wanted to say... *cough cough* ... sorry, I choked on my spit again... *laughter*. Remember that? I know it might not be funny now but it was then, or like five days ago, but I can't thank you enough for the laughs... Thank You!

Dear Julie and Carmen, thank you guys for being leaders whenever it got too loud in the Dressing Room or if we just had to add something to a scene. You guys were so nice to me for my first show and I hope to be in another show with you! Plus, I'm sorry for all the kicks, hits, bumps, and trips I did to you guys! *blush* But you guys R-O-C-K and don't forget it!!

Dear Kelly, thank you SOO much for always fixing my hair in the performance! Talking about how much you perfected my hair probably wasn't what you wanted to be thanked for, eh? But you are a GREAT friend and I hope with all the luck I'll get that I can be in a show with you because you are one of the most funny, awesome, dramatic, calm and hyper, flexible, and caring person I think I've ever met! Thank you for everything, I enjoyed having you there in the show, you made me feel special in a different kind of way!

Dear Elysee, *I pinch your cheeks* you are the cutest little thing I've ever seen! Haha! Thank you Elysee for giving me pain and red, pinched cheeks this year... I'm kidding! You are soo cool and I so want to be in a play with you another time! You are hilarious and so caring. You put a smile on my face whether I'm happy or sad (or mad)! You are A-W-E-S-O-M-E! Happy JT Year!

Last but not least, Zion. You are really nice and I could never, even if I tried, start a conversation like

you can! I usually start a conversation and then nobody adds on so I feel like a weirdo! But your optimism and enthusiastic spirit keeps me going no matter what life throws at me! I'm so glad I got to meet you and your friends! Most of all, I really hope one day I will be in a show with you again, that would be so much fun!

Stagecrew

Okay, so I'm just stagecrew, but I'll still write a memory because I feel like it. So yeah. I'm pretty sure I forgot a lot of people, and I'm very sorry!!

Isabelle: It was nice meeting you and working with you. I honestly hope we get into Peter Pan in the spring together so we can finally work on a show together and not crew it. :C Maybe we'll do the Bernie and dramatically sing something. And "But mom, it glows!!"

Angela: Angela, you are so adorable. Not only were you fun in Dance Class, I love how you're so fun to be around and I hope you do more shows!

Lynda: "Clean up on Isle 4, please"

Lizzie: You have a very unique personality and I love your sense of humor. And that wasn't funny when you, Angela and Isabelle told me your name was Lindsey.):

Shayne: Thanks for all the help with moving the sets. And I love those shoes you wear for NYC

Hannah: Even though we've just meet, I'm glad we've become as close as we are. And rock that cradle, baby.

I love how **Carmen** is still in stage manager mode, but that's okay. I still love you and those times backstage when we'd all pretend to be rapping Tomorrow was wonderful.

Brandon: Not once did you bring a large cucumber to a show for lunch like you always do, or did I miss you eating them? Anyway, I didn't ask you if this was your last show, so I'll ask you the next time I see you. If not, you must do Peter Pan or Footloose. Or something. (:

Chris and Alexa B.: The best "couple" on stage or whatever. Alexa, I hope we do more shows together, and same with you Chris. I'm "jealous" of your guys's friendship.

Alexa: Since your mom is the make-up lady, I'll be seeing you around a lot. Hopefully. I'll miss our great times in Improv class and obviously in Annie

Gina: For my birthday and wedding, you're baking me funfetti. Just. Saying.

Jenna: I remember when Gina was like "I love how Jenna thinks she's confident and independent but she's the only one in Annie who's got a serious boyfriend." I agree with Gina, but I feel you can be "confident and independent" (If that wasn't cheesy, I don't know what was.) And I love you a lot, because you are hilarious.

Julia: Okay, not to be creepy, but you are kind of my "inspiration". I don't know for what, but I really would love to be friends with you more and do more shows before I leave (:

Costumes and Makeup

First of all I would have to say this show has been absolutely amazing. Being the only crew member in the makeup room was an excellent challenge and it made me work even harder.

Rayme--You definitely have an act for imagination and I love that about you. I also love our conversation on Facebook after I didn't make the cast for this show. I learned a lot more of what you shared with me and I really appreciated it. The most important part about it was that you were completely honest. And I will never give up.

Desha--I would have no clue what to do without you. I love that you recognize what I'm going through and then somehow you will fix it and make it all better. The second side note you gave to me made me cry...I'm not lying I was so happy that you wanted to get together, coach me a little bit before my next audition. You taught me to never give up and I intend to keep it that way. After my Annie auditions and everything, I couldn't believe that you called me and basically just offered to put me in Santa Clause vs. The Martians. That had my day after I was upset about Annie. I love you.

Francia--The one and only! And just us too, I can't believe we actually did it. It's not just my fault that Fred was in pain every single day of his life during this show. lol...I just want some peace and quiet or Fred's ear will be gone.

Richard-- The music sounded so wonderful in this show that all the songs would be stuck in my head while I went to sleep and school.

Fred--Awwwww... So where to start? let's see, well first of all I never was trying to hurt you and should have already known that. SEVEN MINUTES! was our best record ever with Francia. Nothing can top that. You and your foot are gonna be in some serious trouble if you don't knock it off. YOU are amazing, awesome, talented, and just fun to be around. Oh and daddy Warbucks needs his strabucks.

Lauren--CLOWN FRACE. LOL! Do I look hot or pretty or beautiful? Desha's response was outstanding! I love you and love working with you.

Anna--I enjoyed French-braiding your hair. haha, you know my middle name your name. I just now noticed that.

Chris--No matter how or what we do to your face in the makeup room, it will always be looking fantastic. I think you worry too much, but that's ok.. I do too...sometimes. Don't ever forget the mole! That's the best part and I could only see as FDR.

Zion-- Oops, I'm sorry if I spelled your name wrong. freckles, freckles, freckles. You are too adorable.

Teddy--I always love that you're trying to help.

To all the orphans--All of you are so talented and made this show great. Every single one of you make this show so unique and I just absolutely love it.

Jake--You are one man of many weird ties for such an interesting character you played.

Paige--Can you glue my eye lashes for me? Yes I will once I'm done with a million other things in such a small room.

Alexa B--It's so much fun having these weird conversations that appeal to us when I'm doing your hair. I love you.

Well I'm sorry if I missed anyone in particular that wanted a memory but sadly I need to stop. The deadline is in four minutes and I am really tired. But overall this show was put on perfectly. THANK YOU!!!!!!!!!!!!!!

Olivia: I love your personality! You are always so energetic! Keep auditioning and hopefully someday we will be in a show together!

Violet: You are so nice! I'm surprised you cheeks don't hurt from how much smiling you do!

Angelie: I'm pretty sure you are the youngest of the ushers and by far the cutest! I love your little giggle.

Avalon: You always voice your opinion, your honest (in a good way) and I like that about you! I hope to see you again.

Cameron: You are willing to do anything I throw at you, without any complaints & that can be hard for me to do so, good job!

Lexy: You always want to help with something, anything! I love seeing you work so hard!

Jake: You are so adorable! I love your smile! No wonder why you get so many tips!

Gage: There is no reason I put you last. So don't think you're like my least favorite or anything. Because I actually think of you as my assistant! First of all because you're like the oldest of the ushers and anything I say to do you encourage everyone else to do that same, so Thank You!

All: I had such a fun experience! You always made me look forward to my weekends, Thank you!

Usher

My favorite memory is when I was playing with my usher friend on the wood block. We were also drawing. It was so fun!
